**HORLEY TOWN COUNCIL**

**COMMENTS (Deferred from**

**meeting, 21/10/14):** Other comments on the proposal - In view of the planning history for this site, we can find no reason to object. However, we do have concerns on operations such as at this in the Green Belt and their impacts on the local neighbourhood. We note that the DCLG has issued new guidance on planning policy for waste which includes a tougher stance on allowing waste facilities like recycling plants and energy-from-waste projects in the Green Belt. Therefore, we presume SCC will ensure their determination is based upon the new guidance.
