Dear Cllr Oliver

Metrobus, Fastway 100 Bus Service Provision at Westvale Park Development, Horley

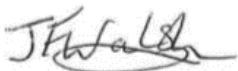

Thank you for your email of 30 October in response to our letter concerning the above bus service.

We understand from Dadswell Construction, who are acting on behalf of the Consortium, that the scope of remedial works to Hoadley Road has increased following the latest inspection with Surrey Highways. We are unclear why these works were not identified in the initial inspection and now this will cause further delays to the road adoption and subsequently the extension of the bus route is likely to be much later than March 2025.

The local residents affected are anxious for the bus route to be extended as soon as possible to provide a full service to the development.

We hope that our letter will be given due consideration and we look forward to receiving your response.

Yours faithfully

Joan Walsh
Town Clerk
